### **Get the Value and Service You Deserve**

As a first-time customer with MVP Plumbers, you'll get more than just a typical discount—you'll get real value. While many plumbing companies offer a flat \$25 off to new customers, we take it a step further with a full 10% off your total service. That means if your job is \$250, you still get \$25 off—but as the cost of service increases, so does your savings. Need a \$600 repair? That's \$60 off, not just the same tired \$25. And here's the best part: we'll start your discount at a \$25 minimum. So even if you have a small drain cleaning job that doesn't meet the \$250 threshold, you'll still get the full \$25 off. We believe in being upfront, generous, and never misleading. It's not just a promotion—it's a promise that MVP Plumbers will always do better by you.

### **The Rules, I Hate Rules, But These Aren't Too Bad!**

#### **The *Not-So-Fine* Print (We Even Made It Bigger So You'd Read It)**

1. One discount per year per household. Yup, just one. But hey—if you call us and ask nicely, we *might* make an exception. Just don't go telling your neighbors—we're trying to keep this a low-key kind of generosity.
2. This coupon can't be combined with other offers. We love giving deals, but we still need to make a couple of bucks to keep the water flowing and the snacks stocked in the truck.
3. If it's on our website, it's valid. No tricky countdowns or hidden expiration dates. If you can find it, you can use it. That's our kind of math.
4. This coupon must be printed out and presented to your plumbing specialist. Why? Honestly, we just like pretending we're fancy professionals with official-looking paperwork. It keeps us sharp.
